ENGINEERING DEPARTMENT.

KRISHNARAJASAGARA DAM CONSTRUCTION DIVISION.

Notification, dated 23rd July 1921.

TENDER FOR SUPPLY OF STOCK AND TOOLS AND PLANT.

Notice is hereby given that sealed tenders will be received up to 5 P.M., on 1st September 1921 for the supply of the undermentioned articles for use on the North and South Banks of Krishnarajasagara Dam Works during the period extending from 1st September 1921 to 31st August 1922.

2. An approximate estimate of the quantities is given against each item in the list The purchase of the whole or any portion of these quantities is not guaranteed.

3. Tenders should be submitted in the printed form which may be obtained from the undersigned's office and it should be accompanied by a list in the form given below showing the rates for the different items tendered.

4. Each tender must be accompanied by a deposit of Rs. 500 as earnest money and be superscribed "Tender for the supply of Stock and Tools and Plant," in the default of either of which, the tender will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer of Mysore, Bangalore, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

6. The name of the accepted tenderer will be pasted on the notice board of the undersigned's office and intimation of the acceptance of the tender will also be sent to him, in due course. No enquiry regarding the acceptance or rejection of the tender will be replied to.

7. The rate of tender for each item shall include the cost of delivery free on rails at French Rocks or Belagola of the Mysore State Railways. No claim for packing, cart hire, etc., will be allowed afterwards. The contractor himself should make necessary arrangements for wagons, etc.

8. Orders for supply will be placed with the accepted tenderer, according to requirements and the supply according to each order must be made immediately and completed within three weeks of the receipt of the order, failing which the unexecuted portion of the order will be cancelled and other arrangements made for supply, the excess cost if any being recovered from the tenderer. In case of repeated delays in supplying the articles, the contract will be cancelled, and the deposit amount credited to Government. The contractor is not expected to keep with him at any time, large stocks of articles for which his tender rates are approved, and his claims for loss due to the non-purchase of such articles will not be entertained.

9. In quoting rates for each item, maker's name and other distinguishing trade marks should be noted. Also when the articles quoted are of different sizes or qualities, their rates should be separately quoted. Otherwise, the rate quoted will be assumed to be for any size required by the Department.
